TEC-VERSE 2026

Event Timeline & Visitor Guidance

EVENT DATE	26 NOVEMBER 2026	27 NOVEMBER 2026
Day	Day 1	Day 2

PHASE 1 | BEFORE THE EVENT — Preparation & Planning

1 Sign In & Onboarding

What you do: Open the app and log in using your registered conference email and password.

Benefit: You only have to log in once. Your session and credentials are saved securely so you stay logged in throughout the event.

Forgot Password: If you forget your password, tap "Forgot Password?" to receive a quick verification OTP on your registered email.

2 Check the Live Countdown

What you do: Land on the Home screen to view the live countdown timer ticking down to the opening ceremony on **26 November 2026**.

Benefit: Stay updated on key dates, announcements, and partner institutions (like C-DAC).

3 Build Your Personal Agenda

What you do: Tap the "Sessions" tab from the bottom bar. Browse through technical tracks (AI, Cybersecurity, Embedded Tech, Cloud, etc.). Tap the Bookmark / Star icon on any session you want to attend.

Benefit: Curates a personalized list of sessions so you don’t miss keynotes or workshops.

PHASE 2 | ARRIVING AT THE VENUE — Nandambakkam, Chennai

4 Fast-Track Check-In with the Digital Pass

What you do: Tap the "Pass" tab (or the QR code icon) on your navigation bar. Present your personalized Digital Entry Pass to the security / registration kiosk.

Benefit: Displays your QR Code, Delegate Name, Registration ID, and Access Badge Tier. Completely paperless check-in — fast scanning without waiting in long verification lines. Works instantly even with intermittent connectivity.

PHASE 3 | DURING THE EXPO — Conference & Exhibition

5 Follow the Real-Time Schedule

What you do: Tap the "Schedule" tab. Switch between Day 1 (26 Nov) and Day 2 (27 Nov) at the top. View ongoing and upcoming slots with hall numbers, speaker names, and start/end times.

Benefit: Eliminates confusion about where you need to be next.

6 Venue Navigation & Floor Plan

What you do: Tap the "Floor Plan" shortcut from the Home screen or Desktop rail.

Benefit: Helps you locate auditorium halls, exhibition stalls, food zones, and help desks across the Chennai Trade Centre.

PHASE 4 | HANDS-FREE & AI ASSISTANCE ON THE GO

7 Ask the Floating AI Robot Assistant

What you do: Tap the floating robot mascot visible in the bottom corner of your screen at any time.

Benefit: Instant answers without manually digging through schedules.

What you can ask:

- “When is the keynote on AI starting?”
- “Where is Hall 2 located?”
- “What are the topics for Day 2?”

8 Voice Navigation (Hands-Free Commands)

What you do: Tap the microphone icon in the assistant overlay and speak naturally.

Benefit: Hands-free access to key app areas.

Commands:

- Say “Go to Pass” → Opens your QR badge immediately.
- Say “Show Schedule” → Jumps straight to the timeline.
- Say “Open Sessions” → Opens the thematic track catalog.

PHASE 5 | PROFILE & POST-EVENT

9 Manage Details & Bookmarks

What you do: Tap the "Profile" tab to view your registration badge details, see all your bookmarked sessions, and review your event attendance summary.

Benefit: Keeps your registration details, saved sessions, and attendance information accessible in one place.
